With Howard Electric's

AUTO-PAY!!

You probably don't spend sleepless nights worrying if you've paid the electric bill. But it is something to think about every month – one more bill to write, one more stamp to use, one more thing to add to your already hectic schedule.

Let Howard Electric take care of your bill with the AUTO-PAY plan!

- Save time – no checks to write
- Save money on postage
- Bills are paid on time, every time, even when you're out of town.

Signing up is even simple. Just send the attached form and a voided check to Howard Electric.

The amount of your monthly bill will then be deducted from your account on the remit date shown on your billing statement. A record of your payment will also show up as a withdrawal on your bank statement.
